

Directions to Parking Concepts Inc. (PCI) at DFW Airport

From the either the north or south entrance of DFW Airport:

1. Exit onto the “Service Road” prior to entering the airport toll booth area. **DO NOT PASS THROUGH THE TOLL BOOTH** – you cannot get to PCI if you are on the main toll road (International Parkway).
2. Proceed on the Int’l Parkway Service Road to “Crossunder #7” (it will be clearly marked – it is not far from the south toll booths of the Airport).
3. Turn west (**left** if you came in the South Airport entrance; **right** if you came in the North Airport entrance) on Crossunder #7 until you the dead-end into 22nd St.
4. Turn right (north), then left prior stop sign. The road you will turn onto is a two lane road with old tram rails overhead on both sides. This short road leads only to the PCI building (the former Tram maintenance building).
5. PCI is the two-story tan brick building with garage service bays building at the end of this road.

Dress code: solid black shoes with black shoestrings and no other colors; solid black long pants; solid black socks; solid black belt. No visible piercings or tattoos. Men - hair above the collar;
