From Grapevine and the DFW Airport (north entrance) Area

Take State Hwy 114 toward the State Hwy 121 interchange (just NW of DFW Airport). Exit onto southbound Hwy 121.

Go South on Hwy 121 *past* the Hall-Johnson and Glade Road exits to the **Cheek-Sparger Road / State Hwy 157** exit. When you take the exit, keep bearing right because the service road will split – the left fork is Hwy 157 (don't take that!) and the right fork leads you to the 121 service road/ Cheek-Sparger Road intersection.

Continue southbound on the 121 service road through the light at Cheek-Sparger Road. You will see the Wal-Mart sign on the right side of the service road. Go just past the Wal-Mart and there will be a driveway with a "Daystar" sign. Turn right into the Daystar parking lot, then right again where the sign says "Daystar Temporary Parking". You will actually be parking on the outer edge of the Wal-Mart parking lot. **DO NOT** park in any "assigned" or "visitor" spaces on the main Daystar parking lot.

From Irving, Dallas (Airport Freeway), and Ft. Worth

Take Airport Freeway (Hwy 183) to the 121 North exit. Go north on Hwy 121 past the Harwood exit to the Cheek-Sparger Road exit. Take that exit and stay on the northbound 121 service road to "Texas Turnaround" u-turn just before the traffic light at Cheek-Sparger. Take the u-turn which will take you under 121 and head you southbound on the 121 South service road (you should see the Wal-Mart as you are completing the u-turn under 121).

Go just past the Wal-Mart and there will be a driveway with a "Daystar" sign. Turn right into the Daystar parking lot, then right again where the sign says "Daystar Temporary Parking". You will actually be parking on the outer edge of the Wal-Mart parking lot. **DO NOT** park in any "assigned" or "visitor" spaces on the main Daystar parking lot.
